

# Big Bluff Production Presents "The Big River Radio Wave" Membership Drive

We are aspiring to great things here with [The Big River Radio Wave](#) and so, besides trying our best to implement our own new, fresh and original ideas, we're also determined to learn from time honored successful radio tradition. One of the most famous of which is the membership drive.

If you look around you may notice a variety of the fancy equipment required to replicate the live performance you're about to see and hear, and the people to operate it. That, along with what we believe to be some of the most gifted performers our area has to offer as well as marketing, promo, lights, stamps, Botox and pedicures makes for a pretty pricey show, even with the many volunteers and generous bargain rate from our special guests.

Lets make one thing clear. If you're in your seat reading this, you've already done your part to support our project and we can't tell you how much we appreciate you being here. This is just a suggestion for those of you who may have had a big night at the casino, or are CEO's at AIG or maybe you just married well. If, for those or any other reason, you'd like to donate a little extra to support the show.

### Here's the Catch:

To sign up, stop at the ticket counter in the front of the lobby on your way out.

All members will be listed in upcoming programs and have a 72% chance of not only feeling better, but looking younger. (Based on limited studies conducted in our lobby)

"Please Fill Out & Tear Off & Return in the Membership Envelope"

## Big River Radio Wave Membership Form
